IRONMAN FOUNDATION

OUR MISSION

"To leave IRONMAN's legacy through philanthropy, volunteerism and grant making by supporting various athletic, community, education, health, human services and public benefit non-profit organizations around the world."

ABOUT THE FOUNDATION

Since its inception, The IRONMAN Foundation, a U.S. registered 501 (c)(3) has provided over $28.5 million in grants, donations and program support to many deserving global, national, regional and local nonprofit organizations.

The IRONMAN Foundation's purpose is to leave a lasting impact in the race communities where our IRONMAN events are held. The Foundation works with community leaders to help fund local initiatives, as well as give back to the nonprofit organizations that have a volunteerism component. Through these projects, the Foundation leaves a piece of the IRONMAN legacy behind after race day and establishes a stronger impact within our race communities.

The IRONMAN Foundation is also unique in that it allows interested athletes to fundraise for a charity of their choice, or support one of our charity partners. The Foundation provides fundraising support and expertise as athletes embark on their fundraising journey. With the flexibility offered, The IRONMAN Foundation appeals as "EVERYONE'S NONPROFIT."

OUR VISION

PHILANTHROPY:
The IRONMAN Foundation makes a lasting impact through community funding, service and goodwill to enhance the IRONMAN race communities.

GIVING BACK:

ENCOURAGE FUNDRAISING
The IRONMAN Foundation makes it very easy for athletes to start fundraising campaigns through personal web pages to support a variety of non-profit organizations.

ENGAGE OTHER NONPROFITS
Through charity partnerships and grant funding, The IRONMAN Foundation works with and supports numerous non-profit organizations every year

INSPIRE ATHLETES AND FANS
The majority of athletes have a story to share about their IRONMAN journey. These stories inspire other athletes and motivate others to begin to create a lasting legacy through the Foundation.

2013 OUR PROGRAMS

COMMUNITY FUND PROGRAM

In an effort to enhance the well-being of those in the communities where IRONMAN events are held, The IRONMAN Foundation provides an opportunity for athletes to contribute charitable support to a variety of local non-profit organizations that recognize citizens in need and benefit the local community. The Foundation provides grant funding opportunities to nonprofit organizations with a volunteerism component to their mission and volunteer within the community. Additionally, we work with community leaders to identify where there are charitable needs within the community and provide grant funding opportunities to support these initiatives. Proceeds from The IRONMAN Community Fund support this program.

WHERE DOES THE FUNDING COME FROM?

An average full distance IRONMAN event brings approximately 2,500 athletes into the host community. World Triathlon Corporation allocates entries to The IRONMAN Foundation to support its charitable mission. The IRONMAN "Foundation Slots" are sold at a premium price above general registration. Half of this premium price is used to cover the standard race entry fee, while the other half is a tax deductible donation to The IRONMAN Foundation, benefitting The Community Fund.

RACE FOR FREE

Athletes also have the option to join the Race For Free fundraising program. With this option, athletes create a fundraising page and support the IRONMAN Foundation. Athletes are guaranteed an entry into any full distance IRONMAN event in exchange for commiting to fundraise $3,000 for The IRONMAN Foundation. The athlete can use their fundraising network to reach this minimum fundraising requirement, thereby "racing for free."

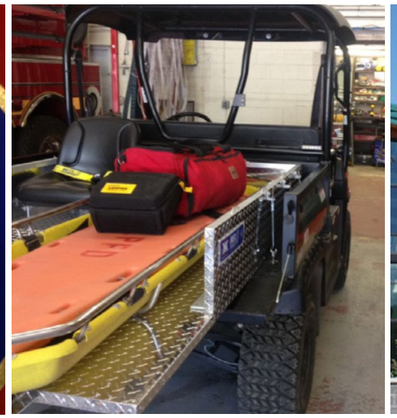
IRONMAN FOUNDATION

2013 MAJOR GRANTS

The Foundation provided community grant support to a wide range of nonprofit organizations in over a dozen race communities. Examples of this grant support include:

ATV'S FOR LAKE PLACID AND LAKE TAHOE

During the 2013 race season, The IRONMAN Foundation provided over $85,000 in grants to support first responder groups across the United States. In both Lake Placid and Lake Tahoe, three search and rescue ATV's were purchased for a critical lifesaving need in these communities.



KROC CENTER IN COEUR D'ALENE

For the past 6 years, The IRONMAN Foundation has provided over $60,000 in community fund grants to support swim lessons offered to all third graders in Kootenai County of Coeur d'Alene, Idaho. IMF's donations make the swimming program more accessible for students, as well as providing towels and bathing suits to those that have no gear. Through these grants, students can gain swimming skills, enjoy the sport and learn about the importance of water safety.

YOUR JOURNEY YOUR CAUSE

The IRONMAN Foundation provides athletes with the opportunity to fundraise to support a cause they are passionate about. Athletes can establish fundraising goals, post updates and add pictures and videos. This web page makes fundraising easy, as anyone can access the page and make a donation. This simplistic approach to fundraising makes tracking donations and thanking

donors quicker and easier. Making fundraising part of their race experience turns the journey of becoming an IRONMAN into a race for a cause. Since the launch of Your Journey, Your Cause in September 2011, over $2 million has been raised to support causes that our athletes are passionate about.

IRONMAN FOUNDATION

CHARITY PARTNERSHIP PROGRAM

Throughout the 2013 season, The IRONMAN Foundation worked with many non-profit organizations to develop charity partnerships. These non-profits became a featured charity partner at an IRONMAN or IRONMAN 70.3 event.

The organizations had the opportunity to create a fundraising program for an event to help them achieve fundraising dollars to support their mission. They also were able to promote their charity at the event to increase awareness. Through these partnerships, over $3 million was raised to support their respective missions in 2013 alone and $7.4 million since the beginning of our charity partnership program.

SERVICE THROUGH SPORT

IMF NEWTON RUNNING AMBASSADOR TRIATHLON TEAM

The IRONMAN Foundation-Newton Running Ambassador Triathlon Team was created to leave behind an influential legacy through philanthropy in the communities where IRONMAN events are held.

The Tri Team helped spread this mission of the Foundation and change the paradigm of triathlon from a selfish sport into a selfless sport. By participating in community service projects and raising funds, athletes create a "greater good" throughout their 2013 race season.

Lake Tahoe, CA – Provided service and support to Keep Tahoe Blue, an organization working to protect the environmentally sensitive areas of Lake Tahoe. Over 100 pounds of trash was removed from Bonsi Beach and $16,000 was donated.

NEWTON running

Lake Placid, NY – The team supported the Ausable River Association by working to improve an environmentally sensitive wetland area - $6,000 was provided to the Ausable River Association.

Mont Tremblant, Quebec, Canada – Support of La Maison la famille du Nord – a community shelter in need of refurbishment to support young families in the Laurentian area of Quebec. $6,000 was provided to support their mission.

Tempe, AZ – Worked with the Broadmor Elementary School whose physical education programs have been impacted due to budget cuts. The Tri Team ambassadors conducted a health and wellness presentation to 660 elementary school students and followed with putting on a "field day" for all of the children to have a fun day of physical activity. The Team donated $11,000 to support the PE programs of the school.

Whistler, Bc, Canada – Support of the Whistler Community Services Society – provided service and support to collected over 7,000 pounds of food and a donation of $8,000 to stock the local food pantry.
