# IRONMAN 70.3 WORLD CHAMPIONSHIP

Nelson Mandela Bay | South Africa

September 1 & September 2, 2018

Located in the Eastern Cape province of South Africa, Nelson Mandela Bay first hosted an IRONMAN event in 2004 and has been the site of the Standard Bank IRONMAN African Championship since 2015. The world championship is the pinnacle event in the global IRONMAN 70.3 calendar.

The IRONMAN 70.3 World Championship event expects to attract more than 6,000 athletes from over 100 global qualifying events in locations such as Australia, China, Spain, South Africa and the Americas.

The championship is part of a week-long festival which will include a range of lifestyle events for the community and visitors to enjoy.

We're always thinking about the families and organizations that make each race community vibrant and unique. We know what gets them out of bed in the morning and keeps them up at night and we're working to make their lives better. **We are the IRONMAN Foundation** and we swim, bike, and run to create positive tangible change in race communities through grant funding and volunteerism.
