OUR MISSION

The mission of the **IRONMAN Foundation** is to leave the IRONMAN legacy through philanthropy, volunteerism and grant making by supporting various athletic, community, education, health, human services and public benefit organizations around the world.

OUR VISION

PHILANTHROPY

Make a lasting impact through community funding, service and goodwill to enhance IRONMAN race communities.

GIVING BACK

Provide grant funding opportunities to local nonprofit organizations in an effort to leave the legacy of IRONMAN behind after race day.

VOLUNTEERISM

Presents several opportunities for athletes and fans to become involved and support the community.

ENCOURAGE FUNDRAISING

Makes it very easy for athletes to start fundraising campaigns through personal web pages to support a variety of non-profit organizations.

ENGAGE OTHER NONPROFITS

Through charity partnerships and grant funding, the IRONMAN Foundation works with and supports over 1,000 non-profit organizations every year.

INSPIRE ATHLETES AND FANS

The majority of athletes have a story to share about their IRONMAN journey. These stories inspire athletes and motivate others to begin to create a lasting legacy through the IRONMAN Foundation.

ABOUT THE FOUNDATION

Since inception, the IRONMAN Foundation has facilitated over \$46 Million in giveback through our programs:

Girls on the Run Southern Utah used a grant of \$7,200 to support 30 girls in their participation in the Girls on the Run program as well as provide them with proper shoes. The program is run as a three-part, 20 lesson curriculum that teaches life skills through dynamic, conversation-based lessons and running games.

"I KNOW THAT WHATEVER
I SET MY MIND TO DO,
I CAN DO."

"IRONMAN CONTINUES TO BE AN INSPIRING PARTNER **COMMITTED** TO SUPPORTING NAVY SEAL WARRIORS AND THEIR FAMILIES. THIS CONTRIBUTION HAS A DIRECT IMPACT ON OUR CAPACITY TO SERVE OUR COMMUNITY IN TIMES OF **ACHIEVEMENT, ADVERSITY AND GREATEST SACRIFICE.**"

-ROBIN KING, CEO, NAVY SEAL FOUNDATION.

The **Navy SEAL Foundation** seeks to support the members of the Naval Special Warfare and their families and acts as a sense of empowerment and comfort for the families of the fallen. With a \$90,000 Community Grant from the IRONMAN Foundation, wounded, injured, and ill members of the community were able to receive the support they need. Command activities, educational opportunities, and children's camps also benefited from this funding.

TOGETHER
WE ARE
STRONGER

PUSH YOURSELF MENTALLY AND PHYSICALLY

The **Boulder Regional Fire Training Center** received a \$5,000 grant to purchase equipment that was utilized by training firefighters in structure firefighting to enhance their skills and professional development.

With a mission to improve people's lives by creating physical adaptive sport communities built to inspire, **Paradox Sports** used a \$10,000 grant to support its core programs of life-changing climbing and mountaineering trips for both civilians and veterans with physical disabilities.

"EACH OF THESE PROGRAMS PROVIDES PARTICIPANTS WITH THE **OPPORTUNITY** TO **PUSH THEMSELVES** MENTALLY AND PHYSICALLY IN THE MOUNTAINS, AND TO BE PART OF A **SUPPORTIVE** COMMUNITY COMMITTED TO CHANGING SOCIETY'S **PERCEPTION** OF WHAT IT MEANS TO LIVE WITH A DISABILITY."

With a motto of, "If I can do this, I can do anything," **Sports, Arts, and Recreation of Chattanooga (SPARC)**, a chapter of the nationwide Disabled Sports USA (DSUSA), received a \$10,000 grant from the IRONMAN Foundation, which allowed SPARC to host its first ever "Paratriathlon Training Clinic" in which 15 athletes of all experience levels had the chance to receive instruction from DARE2TRI coaches. The day and a half clinic involved both training and classroom lessons on nutrition and equipment maintenance. The grant also funded the purchase of a racing handcycle, a racing wheelchair, and racing gloves.

"THE IRONMAN FOUNDATION WILL BE **MAKING A DIFFERENCE** IN THE LIVES OF MANY INDIVIDUALS WITH DISABILITIES AND THE VOLUNTEERS WHO SUPPORT THEM THROUGH THIS GRANT. **SPARC, DSUSA, AND THE IRONMAN FOUNDATION** MAKE EXCELLENT PARTNERS IN DEVELOPING **INDEPENDENCE, CONFIDENCE, AND FITNESS**, NOT ONLY IN SPORTS, BUT ALSO IN THE **PERSONAL LIVES AND COMMUNITIES** OF THE INDIVIDUALS WITH DISABILITIES THAT PARTICIPATE IN SPORTS; AS **DSUSA'S MOTTO STATES:**

IF I CAN DO
THIS,
I CAN DO
ANYTHING."

The Salvation Army Ray and Joan Kroc Community Center used a \$10,000 grant from the IRONMAN Foundation to help offset the costs of swim lessons for The Kroc Center’s Third Grade Swim Program. Prior to the establishment of The Third Grade Swim Program, nearly 90% of students in the North Idaho counties had never received lessons. In 2015, 1,096 students were able to participate in the program and learn critical water safety skills.

PRIOR TO THE THIRD GRADE SWIM PROGRAM, **90%** OF STUDENTS HAD **NEVER RECEIVED SWIM LESSONS.**

In 2010, the **wear blue: run to remember** organization was founded with a mission to build a running community that honors the service and sacrifice of the American military. Working to act as a support network, serve as a living memorial, and bridge the gap between the military and civilian community, the wear blue: run to remember organization has created four programs to help further their mission. With the \$1,200 grant from the IRONMAN Foundation, the Gold Star Race Program was able to sponsor an athlete to participate in the 2015 Marine Corps Marathon.

"BY PARTICIPATING IN THE IRONMAN FOUNDATION PROGRAM WE ARE ABLE TO **BUILD** THIS GREAT IRONMAN CITY PASSING ON THE **LEGACY** OF THE RACE, **HOPE**, AND **OPPORTUNITIES** TO OTHERS THAT MIGHT NOT HAVE THE OPPORTUNITY TO PARTICIPATE OR **DREAM** OF SUCH OPPORTUNITIES."

-JAMIE PATRICK

The **Madison Area Sports Commission (MASC)** Youth Grant works to better the Dane County community by providing sport opportunities to underserved youth. With a focus on athletic enjoyment and healthy lifestyles, the IRONMAN Foundation \$35,000 Community grant allowed MASC to serve hundreds of kids by supporting 24 organizations that ranged from lacrosse scholarships to providing shoes for Girls on the Run of Dane County.

DREAM
OF SUCH
OPPORTUNITIES

The IRONMAN Foundation community grant given to the **City of Panama City Beach Parks & Recreation Department** has had a huge impact on The Miracle League, a baseball league for those with special needs. Those ages 3 years and up with any type/degree of physical or mental impairment can participate in The Miracle League. With the \$6,200 grant, a water fountain and bottle filling station with handicap accessibility was built next to the field.

The **City of Panama City Beach Park Department** was also able to **expand** the PCB conservation park and bring in **new educational** resources to the community. The grant allowed the park to create an enclosure for **waif Gopher Tortoises**, the only such park in northwest Florida. Gopher Tortoises are a keystone species that over **350** species depend on because of the burrows that they create.

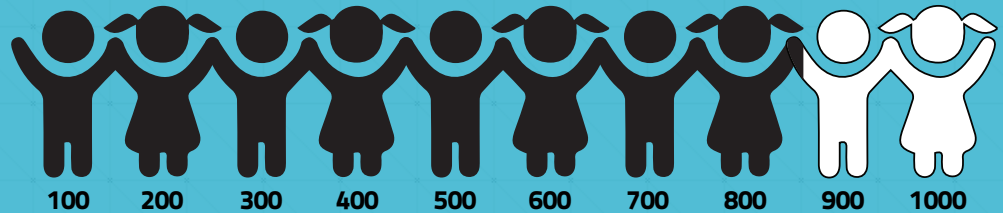

Led by parent volunteers, the **Lake Placid Outing Club (LPOC)** strives to provide safe, positive, lifelong learning experiences for youth through wilderness activities. With a \$2,500 IRONMAN Foundation grant, the LPOC provided 18 scholarships for youth to ski and hike the world famous Tuckerman ravine in the White Mountains of New Hampshire.

Adirondack Birth to Three Alliance (BT3) of the Adirondack Foundation used their \$2,500 grant to support the operations of certified daycare centers and daycare providers in Lake Placid. Over 80 providers, serving nearly 900 children benefitted from the grant which goes toward the BT3 vision of making sure young children are healthy, learning, and thriving in families.

Education for Tomorrow Alliance (EFTA) was able to create Future Focus, a program for students from Montgomery Junior High Schools, as a result of a \$10,000 IRONMAN Foundation grant. With a mission to bring business leaders to educators, to then mentor students for tomorrow's workplace, Future Focus impacted 825 youth to see their future success. A Career Connections panel was also created from the IRONMAN Foundation grant.

"FUTURE FOCUS WAS
INTERACTIVE
AND **EYE OPENING.**"

In addition to providing recognition of members of Hawaii County Fire Department Search and Rescue teams who go above the call of duty, the **Daniel Sayre Memorial Foundation** also provides life-saving fire, emergency, and rescue equipment and supplies to the Hawaii County Fire Department. With a \$21,734 IRONMAN Foundation grant, the Daniel Sayre Memorial Foundation purchased an underwater communications system allowing divers to talk to each other and their base station on land and sea.

"OUR PARTNERSHIP WITH THE IRONMAN FOUNDATION IS PROVIDING **EQUIPMENT** AND **TRAINING** FOR OUR FIRST RESPONDERS THAT WILL HELP **PROTECT** THEIR FAMILIES, FRIENDS AND LOVED ONES WHILE THEY ARE HERE ON THE ISLAND TO **SUPPORT** THEIR ATHLETES."

The IRONMAN Foundation grant given to Newborns Vietnam had a truly life changing impact in central Vietnam. With their \$20,000 grant, Newborns Vietnam was able to purchase a Caleo Incubator. Since the purchase of a Caleo Incubator, the first child born at 25 weeks in Da Nang Hospital for Women & Children survived.

IRONMAN FOUNDATION NEWTON RUNNING AMBASSADOR TEAM

SERVICE THROUGH SPORT, COMMITMENT TO COMMUNITY

The IRONMAN Foundation Newton Running Ambassador Tri Team of 40 athletes were assembled for one common goal: to leave a positive and lasting impact in IRONMAN race communities through service projects and fundraising. These athletes represent what the IRONMAN spirit is all about, and are bonded through KOKUA, the Hawaiian phrase defined as "an act of selfless giving, without expectation of personal gain."

IRONMAN FOUNDATION
NEWTON RUNNING AMBASSADOR TEAM

THIS **EXTRAORDINARY** GROUP OF **AMBASSADOR ATHLETES** DEMONSTRATED THEIR COMMITMENT TO SERVING THEIR RACE COMMUNITY THROUGH **FUNDRAISING** AND **PARTICIPATION** IN SEVERAL MEANINGFUL, **IMPACTFUL SERVICE PROJECTS** INCLUDING:

IRONMAN 70.3 BOULDER: **BOULDER BRIDGE HOUSE**

Boulder Bridge House received a \$14,500 donation to support their Ready to Work Program, Boulder’s first and only paid transitional program for homeless individuals seeking mainstream employment.

IRONMAN TEXAS: **INTERFAITH OF THE WOODLANDS**

Interfaith of The Woodlands helps individuals and families in crisis through financial assistance for critical needs, senior programs, counseling, job training and child care. During a race week service project, a \$22,000 donation was presented to Interfaith by the Ambassador team, where athletes volunteered to harvest fresh vegetables to support their food pantry program.

IRONMAN CHATTANOOGA: **CHATTANOOGA AREA FOOD BANK**

The Chattanooga Area Food Bank (CAFB) feeds over 50,000 families each week within the Chattanooga Region. The Ambassador team raised \$26,846 to help further CAFB’s mission of bringing nourishing food to the people of the region who have the need and courage to seek help. During race week, the team also helped the Food Bank organize food donations.

IRONMAN LOUISVILLE: **HARBOR HOUSE OF LOUISVILLE**

Harbor House of Louisville provides daily programming for adults with disabilities. During race week, IRONMAN Foundation athletes set-up a field day of activities for Harbor House clients, as well as presented a \$5,000 donation to support their incredible programs.

#RACEFORMORE

ONE COMMON GOAL:

To be a catalyst for change in IRONMAN Race Communities by fueling life-changing grants and provide a helping hand to change the lives of those who are often overlooked.

Members of the IRONMAN Foundation's TEAM IMF committed to raising \$3,000 for the IRONMAN Foundation's Community Fund, which included their IRONMAN Race Entry, fundraising program support, and most importantly- a memorable, meaningful bond with fellow teammates that powered them through the Finish Line.

"Though my first IRONMAN finish was to prove to myself that anything is possible and that I could do it, after that, the motivation becomes something more. Not just to finish, but to inspire, motivate, and encourage others. **Race for More.**"

- Ben, IRONMAN Florida

"Every aid station on the 140.6 mile course is covered by folks from a local nonprofit, church, or charity who are volunteering their time in the sun and heat not just to raise money for their causes, but to help people who are struggling to achieve their lifetime dream! These groups cheer us on, give us water when we are dehydrated, food when we're seeing double, and emotional support every step of the way...This year I am competing not just to finish, but to give back to my community."

- Shiela, IRONMAN Louisville

"There is so much care and support given by these community volunteers to each and every athlete. It is awe inspiring. Each community takes pride in welcoming and supporting IRONMAN athlete and it is my honor to raise funds and awareness..."

- Kristine, IRONMAN Arizona

"TEAM IMF enables me to carry the flag for those not fortunate enough to take the [IRONMAN] challenge I am taking. By giving back to the communities we touch, The IRONMAN Foundation helps make a selfish competition in a selfless cause for me."

- Marc, IRONMAN Arizona

YOUR JOURNEY

Through the **IRONMAN Foundation's Your Journey, Your Cause** (YJYC) program, athletes are provided a unique, **customizable** digital fundraising platform to promote fundraising for their charity of their choice, and are provided program support to assist them with their success.

The YJYC program requires **no** fundraising minimum, and therefore athletes are able to fundraise as little or as much to make a personal, **meaningful** contribution.

By making the IRONMAN training journey mean much more about just logging training miles, YJYC Athletes raised a total of **\$386,896** for **107 unique causes** in 2015.

YOUR CAUSE

OUR PARTNERS

FIREHOUSE SUBS PUBLIC SAFETY FOUNDATION:

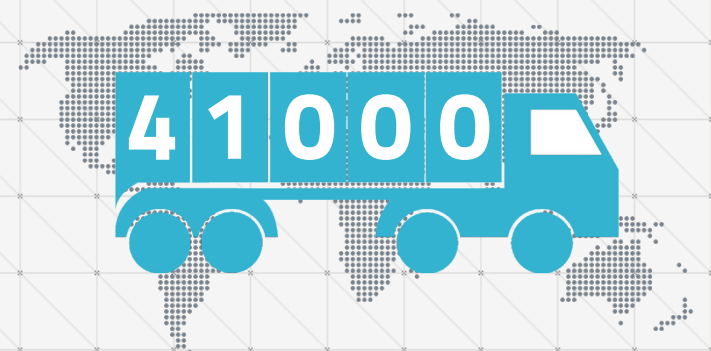

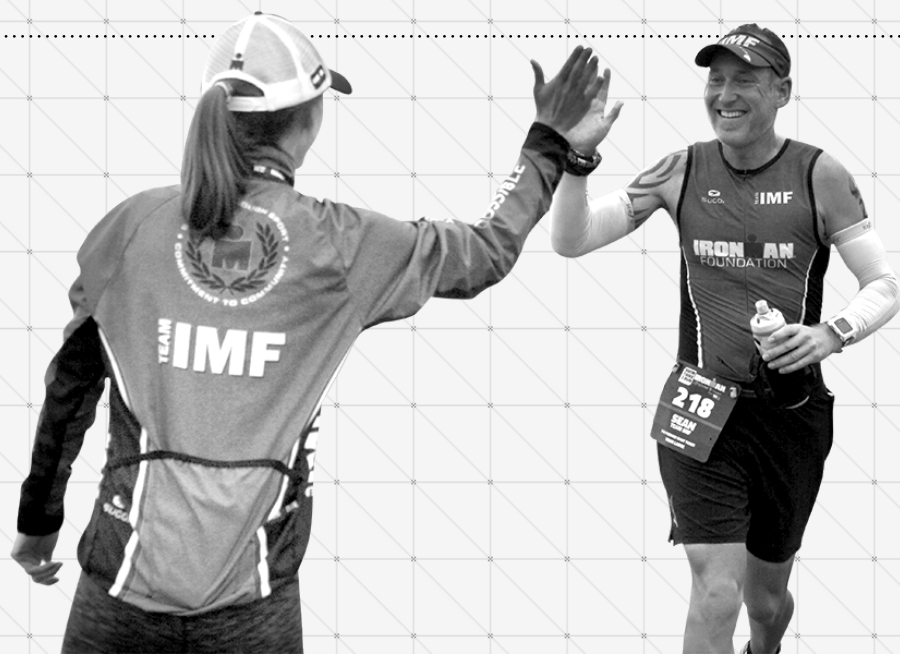

In 2005, Firehouse Subs created the Firehouse Subs Public Safety Foundation with the mission of providing funding, life-saving equipment, and educational opportunities for first responders and public safety organizations.

In 2015, the IRONMAN Foundation and the Firehouse Subs Public Safety Foundation teamed up to provide **over \$117,000** in grant funding within **seven IRONMAN race communities** for first responders to purchase life-saving equipment.

MOVE FOR HUNGER:

By teaming up with moving companies, Move for Hunger arranges pickup and delivery of unwanted, unopened food directly from homeowners, companies, and events and delivers this food to local food banks. In 2015, Move for Hunger hauled away **50,000 lbs** of food for delivery to those in need from IRONMAN events, which equated to **over 41,000 meals**.
