

The mission of the IRONMAN Foundation is to create positive, tangible change in race communities through grant funding and volunteerism. We're thinking about the families and organizations that make each race community vibrant and unique. We know what gets them out of bed in the morning and what keeps them up at night and we're working to make their lives better. We swim, we bike, and we run to leave our IRONMAN legacy long after race day.

TEAM IMF is one of the IRONMAN Foundation's fundraising team. Through TEAM IMF, athletes have the opportunity to fundraise for the IRONMAN Foundation's Community Fund while racing an IRONMAN event of their choice at no additional cost. The IRONMAN Foundation's Community Fund directly benefits those communities where IRONMAN events are held by providing charitable support to a variety of local nonprofit organizations that recognize citizens in need and provide support to their local community.
