Each year, a select group of athletes from around the world are selected to support the mission of the IRONMAN Foundation as Ambassadors. Together, we share a passion to create positive tangible change in our race communities and prove that "Anything Is Possible."

The IRONMAN Foundation® has announced that in 2020, its existing IRONAIID™ program will expand its resources to specifically focus on serving event communities in relation to the COVID-19 pandemic.

IRONAIID funds will be available for grant applications by health-related nonprofit organizations around the world. Organizations who fit the criteria are invited to apply for funding.

For full details on the IRONAIID COVID-19 Support Fund and how to apply for grant funding or participate in Operation IRONAIID Face Masks, visit www.ironmanfoundation.org/ironaid.

Since 2003, over \$50 million has been provided through IRONMAN charitable giveback programs including the IRONMAN Foundation to more than 9,500 local, regional, national and global nonprofit initiatives. Through these partnerships, IRONMAN athletes are powerfully linked to the community and together we leave the IRONMAN legacy behind in our race communities long after race day. We #RaceForMore.
