

The mission of The IRONMAN Foundation® is to create positive, tangible change in race communities through grant funding and volunteerism. Together, we swim, we bike, we run, and we make a difference in the communities where we live, train, and race.

Since inception in 2003, The IRONMAN Foundation has provided over \$55 million in charitable giveback to more than 10,000 organizations around the world, impacting countless lives. When we talk about “tangible impact” this is because the dollars you raise through your fundraising journey, have a real and lasting impact long after your race day.
