

SERVICE THROUGH SPORT...

Thank you for helping us go the extra mile for our race communities in 2024!

Together, IRONMAN Foundation Athletes raised more than \$2 million to support our giveback efforts.

OUR MISSION

To create positive change in race communities through grant funding and volunteerism.

2024 DEBRIEF

✓ VOLUNTEERISM GRANTS

Distributed \$1 million in grant funding to the amazing volunteer organizations that cheered you on during race day. Through these grants, community schools were able to purchase uniforms and equipment for their sports teams, summer camps provided scholarships for at-risk children, food banks opened new facilities, and so much more!

✓ YOUTH SWIM CLINICS

Supported swimming scholarships throughout race communities to create safer, more confident swimmers, as well as the development of an Adaptive Swim Program in partnership with the Challenged Athletes Foundation.

✓ BIKES FOR KIDS

Donated bikes and helmets to local children within the IRONMAN Lake Placid and IRONMAN World Championship Kailua-Kona race communities.

✓ IRONKIDS YOUTH SCHOLARSHIP

Awarded Tri Sport Taupō grant funding to support year-round training, coaching, and nutrition education for local youth in the New Zealand community.

✓ KAILUA-KONA

Hosted the "Ola Hou" cultural experience at IRONMAN Village in Kailua-Kona with Lydia8, featuring workshops, performances, and the painting of a community mural in celebration of local Hawaiian heritage.

Since 2003, the IRONMAN Foundation has funded initiatives to support race communities worldwide — but we could not do this without you. Join us as we leave a positive impact in the race communities long after race day. For the most significant impact, donations are distributed directly to initiatives with the greatest needs.
